PRESENTATIONS

Sergeant Newman presented to Council the Police Department's Mission Statement. Sergeant Newman presented 4 outcome strategies for 2018. Newman stated that in the last 2 years they have done more with less. Retention of officers is a concern in the department, as it takes 10 months for a new officer to be fully trained. The department is also hoping to replace 2 patrol cars in 2018 and have a car port built on the north side of the parking lot. Hildebrand shared about a possible need for a Lieutenant position for a better chain of command according to the public safety study. Newman reported that an upgrade of all portable and mobile radios and tasers will also be needed in the near future.

Fire Captain, Robert Tormey presented to Council requests for 2018 Fire Department additional expenditures totaling \$22,000.00. A slide in skid unit for the pick-up truck would be a great back up asset for the department, especially battling grass fires. The other 2 items were a fire extinguisher training unit and 2 additional sets of turn out gear. He also stated that the radios carried by personnel will also need replaced as they are no longer being made and cannot be serviced.

Hildebrand stated that the Community Building Design Committee meet April 26th to finalize design plans and make a formal recommendation to Council for approval. All design plans have been available for public review and Hildebrand invited Council to discuss plans and ask questions of himself or Engineer Golka during this time.

Kerstetter moved to adjourn, second by Maschino. Vote Yea: Unanimous.

Zellner and Polian explained that funds would be available from special streets, however a budget amendment would be needed at the end of the year.

E. HILLSIDE CEMETERY DISCUSSION

Kerstetter requested a discussion regarding the double taxation on cemeteries for some residents. Hildebrand explained that the Council cannot simply change the process with a resolution or ordinance, it must be handled with a change in legislation. Council discussed the issue and felt that it should be addressed and not ignored. Cicirello suggested City officials contact the Hillside Cemetery Board and discuss options, but would like a change in taxation to begin 01/01/2019, thus giving the Hillside Cemetery time to plan on reduction of tax funds. Consensus of Council agreed but no formal action was taken.

F. LIBRARY BOARD DISCUSSION

Anderson stated that he received numerous calls from citizens regarding the appointment approved by Council at the April 18th meeting. He requested an open discussion be held and allow citizens to address Council. Mayor Dove explained that she appreciated the opportunity to explain she chose Christine Hildebrand to be appointed to the Library Board based on interviews and qualifications. Members of Council acknowledged that they ultimately approved the appointment but felt that the public perception was of the City taking over the Library.
