Mary made a motion to approve the financial report and pay bills; Howard seconded. Motion carried; vote was unanimous.

Janice submitted the librarian's report.

In the Library Development Director's report, Julia shared her report by email reviewing where we are at in our campaign and the need for us to keep the momentum moving even though we don't have much going on outwardly.

Janice presented information about a Celtic guitarist that will be in the Wichita area in mid-October. Marsha made a motion to schedule him for a performance on Oct. 12; Mary seconded. We will promote the event through the schools for more interest with students and their families. This will occur during our book sale so it was discussed that we could possibly have a potato bar as a fundraiser and have the concert at the USD 262 Learning Center where the book sale will be held.

In discussing the needs assessment, we will need to work on the following areas: technology, graphic novels, audio collection, video collection, programming areas and display areas. We will check with Hans for clarification of what he needs and where we will be meeting in Lawrence.

Nancy Anderson has called a Fall Festival meeting for Monday, July 26, at Julia's office to discuss plans at the festival to promote the library. Janice will notify the Chamber that we will want a booth on Main Street.

In discussion of the decorations for the Fall Festival float, suggestions were using a tornado and/or a rainbow. Marsha will set up a dodge ball tournament to be at the basketball court at Lions Park. We will need to get the info to the Chamber.

The following nominations were made for officers for the next year: Mary nominated Jerry Davidson for Chair; Howard seconded. Mary nominated Howard Botts for Vice Chair; Jerry seconded. Mary nominated Amy Stamm for Secretary/Treasurer; Jean seconded. All motions carried; voting was unanimous. Amy would like to become head of the Friends group. The Board will meet with each employee on Thursday, July 29, to review job descriptions that are currently being re-developed. Expectations and interactions will be discussed. Performance evaluations will then be given after the job descriptions are approved and presented to employees.
