Day One Independence, MO Lunch & Dinner

Sit back and relax as we travel in style aboard a luxury motor coach toward Kansas City. This quick overnight trip will be chock full of fun beginning with lunch and a tour of the *Historic Bingham Waggoner Estate*. The Bingham-Waggoner Estate, sitting on over 19 acres near the Independence Square, is truly a one-of-a-kind gem in Independence, Missouri. This well preserved Estate, with more than 90% original furnishings, carpets and paintings, provides insights into the lifestyle of the 19th century wealthy residents. Next stop is the *Vaile Victorian Mansion*. Built by Colonel and Mrs. Harvey Vaile in 1881, it was "the most princely house and the most comfortable home in the entire west," the Kansas City Times reported in 1882. The three-story, Gothic-like 31-room mansion includes 9 marble fireplaces, spectacular painted ceilings, flushing toilets, a built-in 6,000 gallon water tank, and a 48,000 gallon wine cellar. This mansion is one of the best examples of Second Empire style architecture in the United States. After a little time to rest and refresh at the hotel, we will begin our dinner journey – a *KC Barbecue Tour*. A step on guide will take us on a historic Kansas City sight seeing tour including stops at various famous barbecue restaurants for a serving of one meat and a side dish.

Day Two Home Breakfast & Lunch

We head east today to Boonville, MO. *Warm Springs Ranch*, where legends are born, is a breeding farm for the Budweiser Clydesdales, resting on 300-plus acres of lush, rolling hills in the heart of Missouri. Established in 2008, it features a mare/stallion and foaling barn, veterinary lab and ten pastures, each with a customized, walk-in shelter. The facility is home to more than 70 Clydesdales ranging from foals to stallions. Get up close and personal with these beautiful animals during our walking tour. *Lunch* today will be good ole comfort food served at a local diner before we begin our journey home.
